

Clare Jewell
National Representative

Our speaker this year is Clare Jewell who serves the GARBC as National Representative, but also as the National Coordinator for Church Planting and as the Director of Generate. The mission of Generate is to fuel the health and reproduction of leaders and churches within the GARBC. Generate does this by casting vision and providing resources and training to plant and revitalize churches, develop leaders, improve church facilities, and assist in disaster relief.

In addition to his responsibilities with the GARBC, Clare also serves as the Executive Director for EveryEthne, the North American ministry division of ABWE and he teaches Missional Living at Corban University in Salem, Oregon.

Prior to taking on his current responsibilities, Clare served for 20 years as the Senior Pastor of Lakewood Park Baptist Church in Auburn, Indiana. During that time, he developed church planting partnerships in Ukraine, India, Nepal, Russia, Brazil, and Jamaica.

Clare and his wife, Donna, live in Salem, Oregon and have four daughters and thirteen grandchildren.
